

Joining SIDC is one of the greatest decisions I have ever made. I have learned so much from the team and the instructors. Salsa Intocable is a team about quality dancing, and the instructors are so challenging. If you are looking for high intensity practices that will push you to your limits, SIDC is the place for you. The best part about being in SIDC is the amount of love and support that everyone gives. When I first joined SIDC, I felt different especially because of the professional and friendly atmosphere. SIDC is full of great people from all different backgrounds and cultures. I believe in challenging every one of my dancers and helping them reach their full potential.
